"There is wisdom, and that's, like, woah."

—Herman Melville

The Trivial Notions Seminar
Proudly Announces

$$\sum f(x_n)\Delta x = \int f(x)\,\mathrm{d}x$$

A talk by

Dexter Chua

Abstract
I will discuss the Borwein–Borwein integral.

and

Some Questions About Science

A talk by

Sam Marks

Abstract
Some answers may be included.
